

A Glance at Viatris in Ireland

VIATRIS is a new kind of healthcare company, committed to empowering people in Ireland to live healthier at every stage in life.

We do so via, Access, Leadership and Partnership.

At Viatris, we believe in healthcare not as it is, but as it should be.

We are passionately committed to the improvement and transformation of Irish healthcare and partner with key stakeholders to address population health needs and inequalities

We are proud to be one of the **largest pharmaceutical employers** in Ireland where almost **2,000 amazing people across six sites** are working to provide access to medicines, develop innovative solutions and improve healthcare for patients

Not only do we produce medicines for families in Ireland and across the globe, but we also carry out crucial **research and development**

Our extensive portfolio of products across a broad range of therapeutic areas delivers significant value to the **HSE and for patients in Ireland**

We produce medicines for patients across a **broad range of major therapeutic areas**, spanning both noncommunicable and infectious diseases, such as:

Cardiovascular

Infectious disease

Oncology

Rheumatology

Immunology

CNS and anesthesia

Women's healthcare

Neurology

Gastroenterology

Respiratory and allergy

Dermatology

We are one of the leading pharmaceutical suppliers in the Irish retail market¹

Our services extend to supporting key patient groups such as **Cystic Fibrosis Ireland and HIV Ireland** and we provide bespoke Patient Support Nurse programmes wrapped around the provision of our medicines
